All of our money market funds were classified within Level I of the fair value hierarchy because they were valued using quoted prices in active markets. Our U.S. government securities, certificates of deposit, commercial paper, time deposits and corporate debt securities are classified within Level II of the fair value hierarchy and the market approach was used to determine fair value of these investments.

Our cash, cash equivalents and investments classified by security type as of December 31, 2023 and 2022 consisted of the following (in millions):

|                                                         | December 31, 2023 |                        |                         |                  |                           |                        |

We record gross realized gains, losses and credit losses as a component of Other income (expense), net in the consolidated statements of operations. For the years ended December 31, 2023 and 2022, we did not recognize any material gross realized gains, losses or credit losses. The ending allowance balances for credit losses were immaterial as of December 31, 2023 and 2022. We have determined that the gross unrealized losses on our investments as of December 31, 2023 and 2022 were temporary in nature.
